

La Petite Grande is a 9m diameter, 5.2m high, octagonal tent with 3m high sidewalls and an Art Deco styled, wooden façade. It is fixed to the ground with 16 x 1.2m metal tent pegs or 8 x 1 tonne concrete blocks. It takes approx. 6 hours to erect and 3 to take down. La Petite Grande seats 110 people.

La Petite Grande comes with full lighting and sound system (operator by special request). The seating system comes with high quality covered cushions. Fans can be provided. The stage is wooden. Emergency exit signs and a fire extinguisher are provided. The tent fabric and all interior fabrics are fire retardant. All electrical devices and cables come tagged and tested. La Petite Grande comes with full public liability. The tent can be pegged to grass but if erected on a hard surface such as concrete, 8 x 1 tonne concrete blocks must be used which are an additional cost.
